What a year 2020 has been!

No-one could have envisaged how this year was going to turn out, and it has affected each and every one of us in so many ways. The community store has been consistent in providing products and

services for the village, surrounding villages, and passing trade. The future is bright for the shop, we have recently increased opening hours and changed the layout of products in the shop which will allow more essential products to be stocked.

What does Community mean to you? Let's share ideas and move our Community into 2021, contact us on the details above.

As you may or may not know the shop is a Community Shop and it is supported by many volunteers and run by a committee. As such we would like to take this opportunity to thank everyone for their help and time and commitment to support the shop.

Our Outreach Post Office service continues to provide a great opportunity to post those parcels and letters, pay bills and utilize other Post Office Services, so come to the shop on Wednesdays, 1.30-4.30pm.

Don't forget the shop has a wide range Christmas Cards to send to friends and family.
